

PROJECT STATE

Name: Sunjeet Jena
ASUID: 1218420294

1. During the Project 1 milestone I faced some problems to create a dynamic size memory, but was able to resolve it later on.
2. No Known Bugs.
3. For Project 1 deadline there are no incomplete implementations.
4. All the interactions and discussions were through Piazza and Ujun Jeong helped me to test the files in general.asu.edu.
5. The primary reference is **C++ Primer, Fifth Edition by Stanley B. Lippman, Josée Lajoie, Barbara E. Moo**
